THE CLASS OF 1966 JAMES WALKER MEMORIAL HOSPITAL SCHOOL OF NURSING

Presents

The Epitomes

With its theme "Through The Years"

Class Flower Red Rose

Of all the virtues which heaven has to give--May it be with understanding that we live! H. W. Bliss

Ehe Florence Mightingale Pledge

I solemnly pledge myself before God, and in the presence of this assembly,

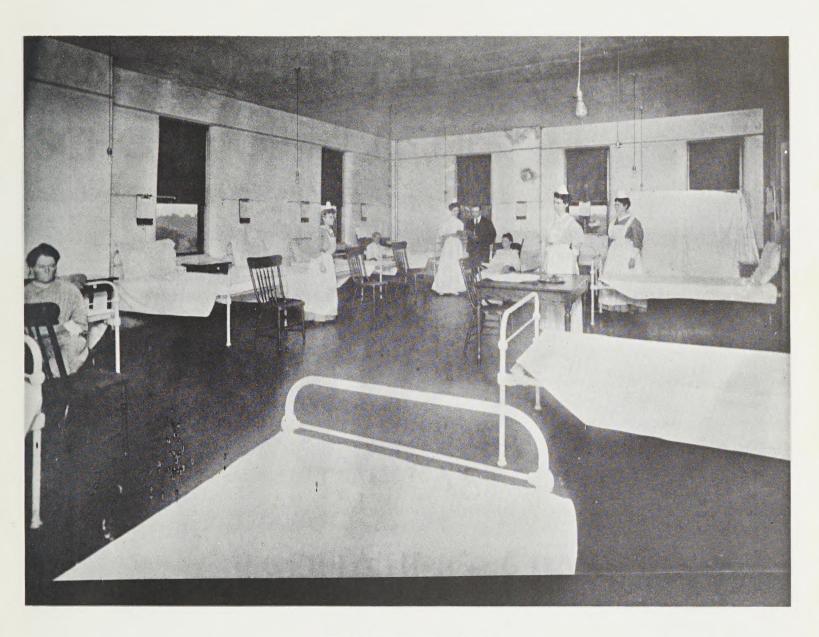

To pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standards of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my profession.

With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

Dedication

WOMEN'S WARD - 1909

It is with honor and admiration that the Senior Class dedicates the 1966 EPITOME to the Past Graduates of James Walker Memorial Hospital School of Nursing and to ALL who have made this school of nursing possible through the years.

History of James Walker Memorial Hospital and School of Nursing

By Dr. Robert M. Fales

The W. W. Lane Hospital established in 1875 and the City-County Hospital founded in 1881 were predecessors of the James Walker Memorial Hospital. In 1881 the City of Wilmington and County of New Hanover obtained through a N. C. State Legislature Act permission to establish a hospital and proceeded to buy a tract of land in the northeastern part of the city known as Klein's Garden Company. This tract of land already had a wooden building erected on it, and this building was used as the original hospital and was added to as time went along. This hospital was located at Tenthand Fanning Streets, and Dr. W.W. Lane was appointed superintendent and surgeon-in-chief. The visiting surgeons and physicians consisted of Drs. William J. Love, G. G. Thomas, T. C. Burbanks, W. J. H. Bellamy, J. C. Sheppard, A. H. Harris and R. D. Jewett. This city-county hospital continued until it was replaced in 1901 by the erection of the original building of the James Walker Memorial Hospital which is still standing and functioning today. This original building, which at the time of its construction and for years afterward was considered the finest and most modern hospital building in eastern North Carolina, was built and given to the people of Wilmington and New Hanover County by Mr. James Walker, a stonemason, contractor and builder, who was born in Douglas, Lanarkshire, Scotland, April 29, 1826. He came to this country at twenty years of age and settled in Washington, D.C. Mr. Walker was sent to Wilmington in 1857 to construct the U.S. Marine Hospital which stood for years near 8th and Nun Streets. In later years he also constructed numerous other buildings in Wilmington including the First Presbyterian Church, which was consumed by fire in 1926, and the D. R. Murchison residence on South Third Street which is still standing. Mr. Walker resided at 1602 Market Street. A year before his death which was March 15, 1901, he conferred with his physician, Dr. W. J. H. Bellamy, and with other friends in reference to his desire to establish a public park as a gift to the City of Wilmington, but he was induced to supply a still greater local need, that of a public hospital.

The first brick laid for the erection of the James Walker Memorial Hospital was laid by Mrs. Helen Lane, matron of the City-County Hospital on May 22, 1900, and according to the newspaper account of May 23, 1900, the laying of the foundation was done in an unceremonious manner. Although in failing health, Mr. Walker personally supervised the construction of the hospital until his untimely death which was prior to the completion of the hospital on June 1, 1901. Upon completion the hospital consisted of fifty beds, a laundry and a heating plant. A male ward occupied the north wing of the ground floor and was called Ward D; the women's ward occupied the south wing of the second floor and was called Ward C. The hospital management, according to Mr. Walker's wishes, would forever remain free from political control; the city and county would appropriate sufficient sums of money for the care of indigent sick and injured of said city and county. A Board of Managers was appointed, three members by Mr. Walker, three members from the county and three members from the city. Afterwards new members were to be appointed by the Board of Managers.

The original Board of Managers of the hospital consisted of Mr. Walter G. McRae, Mr. M. J. Corbett, Mr. W. H. Sprunt, Mr. George R. French, Dr. W. J. H. Bellamy, Mr. Sam Bear, Mr. M. S. Willard, Mr. D. C. Love and Mr. J. H. Rehder. The last named was elected to replace Dr. C. P. Bolles who found it impossible to serve longer on account of other pressing business. The first superintendent was Dr. Thomas R. Little. On February 5, 1902, a Charter was

granted James Walker Memorial Hospital to organize and maintain a school of nursing. The first superintendent was Miss Lillie Heller (Mrs. Thomas R. Little). The first class was composed of two students - Miss Florence Hayes (Mrs. Morris Caldwell) and Miss Alberta Robinson. Mrs. Caldwell had the distinction of being the first person to obtain a certificate of registration issued to a graduate nurse trained in a North Carolina School. She was registered in New Hanover County, July 1, 1903. The second class was made up of three students and each year the number has increased. As the years have passed, literally hundreds of intelligent and dedicated young women have followed in the footsteps of these two original graduates and have been graduates of this school which is one of the oldest in North Carolina. As years have passed, additions to the hospital have been made. A new building which now is known as the Sprunt Ward and consists of 35 beds, was built for the colored patients in 1904. This wing originally included the dispensary and until 1921, the second floor was the Nurses' Quarters. This addition was the donation of Mr. W. H. Sprunt, who saw and realized the need for such a division for the colored people of Wilmington and New Hanover County. The total cost of this addition was ten thousand dollars.

In 1915, Mr. Samuel Bear gave as a donation the Contagious Ward, named the Bear Building. This building was demolished about 1942 or 1943. Part of the present Nurses' Home is located on the original site of the Bear Building.

The third addition made to James Walker Memorial Hospital was in 1917, namely the Marion Sprunt Annex, a Maternity and Children's Ward of 33 beds. Money for this addition was furnished by Dr. James Sprunt in memoriam to his daughter, Marion, whose name it bears. The Women's Ward was moved to the second floor of this building.

The Nurses' Quarters over the Colored Ward became too crowded, and the need for a separate Nurses' Home was realized. This time the city desired to erect a permanent memorial to the Rev. A. D. McClure of St. Andrews Presby-terian Church. The Nursing School was close to the heart of Dr. McClure so in 1921 the city donated \$100,000 as a memorial to be used to build a modern Nurses' Home to accommodate fifty nurses. In 1926, the number of nurses had increased so that the home had to be enlarged. In 1937, the capacity of the home was increased and again in 1943.

A new wing was added to the north end of the original building in 1937 which increased the capacity of the hospital to 185 beds. This addition is known as Upper Hall A, Lower Hall A and the basement houses the X-ray department.

6

In 1943 the Federal Government aided James Walker Memorial Hospital in the construction of an additional building. The administrative offices were moved to this new building from the original building in the early part of 1944. In the basement of the building is a dispensary for the emergency treatment of patients, a modern, well-equipped laboratory, central supply, physical therapy, and a morgue with equipment for the performance of autopsies. On the first floor of this building is located South Wing I, the Intensive Care Unit and the administrative section. The second floor of this building houses the maternity suite and the newborn nursery. On the third floor are located the operating room and recovery room suites with private rooms for women patients known as South Wing III.

In 1947 a new addition was added which housed the present day Women's Ward, the kitchen and dining rooms. The total number of beds of James Walker Memorial Hospital as we know it today is 285. This is living proof of the progress and foresight of many, many devoted servants who have directed this institution since it was founded as a fifty-bed hospital in 1901.

The total number of employees of this hospital as of this date is approximately 500, and the medical staff consists of approximately 60 physicians and surgeons. James Walker Memorial Hospital is an accredited hospital where literally thousands of ill and desolate people have sought and found help and treatment. During the past fiscal year a total of 13,148 patients were discharged from this hospital and a total of 7,100 patients had surgery performed. Of the total surgical patients 2,694 were major procedures. During this same period a total of 27,384 out-patients received treatment in the dispensary.

When the doors of the James Walker Memorial Hospital close forever with the coming of 1967, one can look back to the day in 1901 when this institution was dedicated and repeat the words of Mr. James Sprunt who said, "We, his executors (Mr. James Walker), therefore, in simplicity tender you the keys of the James Walker Memorial Hospital with grateful sense of the trust which he reposed in us, and with the hope that it may long serve the human object of its generous donor." Finally, one can say that the wishes and human object of Mr. James Walker have been carried out in the long service of this noble institution.

Notation: Much of the material obtained in this history was made possible through the cooperation of Dr. A. McR. Crouch, Sr., retired, who is the official historian of the New Hanover County Medical Society. Also much information was obtained from the files of the Wilmington Messenger and the Wilmington Morning Star which are housed in the Wilmington Public Library.

James Walker Wouldn't Be The Same Without

As the years of James Walker come to an end there will always be certain things that will always be remembered and that will remain a part of our years here.

The portraits in the front hall...chicken...Dr. Hooper saying "Big Girl"... Dr. H. Johnson's progress notes ... morning reports ... 8:00 temperatures... Dr. Fales' "morning Ladies"...Dr. R. Williams' sailing ...Dr. Mason's interns ...Dr. Van Velsor's Fostex soap ...Dr. Codington's charming smile... UH B Mrs. Kelly's magic marker ...Dr. Well's mammoplasties and pocketknife ...Dr. Anderson's cateract patient ...SW 3 and hysterectomies ...Dr. Grove's long pre-op orders...Dr. Gram's farm and tractors...Dr. Murchison's nicknames...SW 1 and Mrs. Jackson's and Mrs. Hurley's mischief...Dr. Mc-Millan's EST's...Dr. Marshburn's Temps every 4 hours...Dr. MacKay's quiet manner...W Wd. the clean and dirty utility rooms...Dr. Pigford's admission orders...Dr. Tidler's brown eyes...Dr. Thompson's newest drugs...Dr. Warshauer's always in a hurry...Emergencies and Miss West...Dr. Craven's big scissors.

As we rotated through surgery there are also many things that it wouldn't be the same without.

Dr. Dickie's twin...Dr. Koonce saying "stop your housecleaning"...Dr. H. Moore's chewing gum...Dr. Dineen's two gowns, gloves, masks, and 10 sheets...Dr. Hare's rubs on TUR's...Mrs. Mary Ingram at her desk...Dr. B. Williams' hand signals...Dr. R. Moore's late surgery.

As we progressed along to Pediatrics it too holds memories it wouldn't be the same without.

Dr. Koseruba's Jade East and early morning rounds...Dr. Melton's Irish Tenor...treatment rooms...million of shots!...Dr. Knox's bunny rabbits... Mrs. Harding...Albert in Cu 22...Dr. Reynolds' morning paper...Dr. A. Crouch and his TV antenna.

Obsterics also has it's people and places that it wouldn't be the same without.

Delivery and Mrs. Stokley...Dr. Ormand's 3 Minute C Section...Dr. Bear's car telephone...Dr. Lounsbury's Special diets...Dr. G. Johnson's sister and cigar...Dr. O'Quinn's sleepy...Dr. Powell's Southern Accent...Dr. Nichol-son's explanation of Rh factor...Dr. Weinel's whistle and laugh...Miss Gornto's premie babies...the milk lab...Dr. Walker's Sugar...and Mrs. Guy sitting on the stool.

Remember Who?

Kept a shunk in their room.
Dr. B. Williams grabbed with a towel clip.
Was the first one to get married.
Called Drs. by their first name.
Never turned in a case study and got an A.
Played the "Viper".
Became a baseball fan.
Had a whole head of grey hair at graduation.

Inspected for nasal polyps.

Refereed the fight in front of the nurses' home.

Stayed campused until Easter.

Had water poured in her room.

Shocked us all on a Thursday night.

- Nearly fell out the window looking at the English boys.
- And who was the last but not least to get engaged.

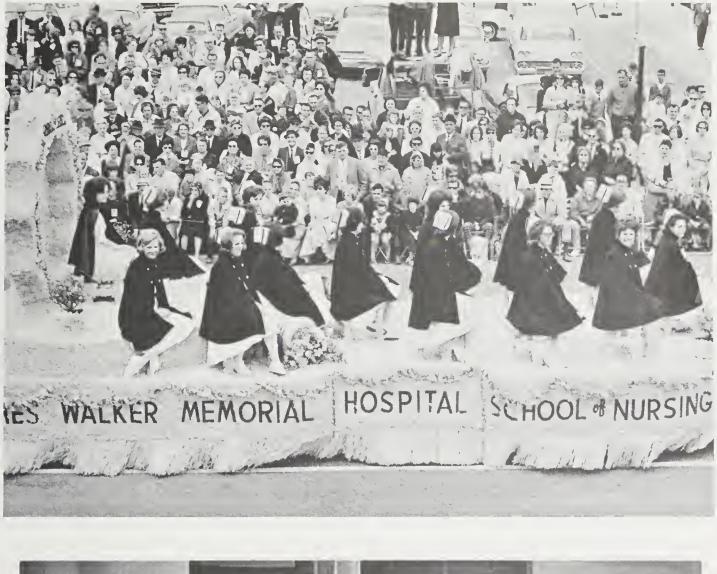

Class History

For three years we have lived, worked, and played together. When we look back, these are some of the things that we will always remember. Our first day...September 3, 1963...Having our feet checked...Halloween Party...Darnell as the viper...The fire trucks at 4 a.m...Paulette singing "Oh How I Want to Go Home"...Susan went steady for a day...Linda used to go to bed at 8:30...Friday, December 13, our first day on the floor...Our first hypodermics...We used to get up at 5:30...Pat's cat, Kathleen...The man that jumped out the window... Virginia dated Ken...Nancy irrigated the catheter with hydrogen peroxide... Nancy and Helen getting the sulfa too hot and running us out of the chemistry lab...Making beds...Dr. Dorman asked for left handed Keiths...Raye scrubbed on T and A's...Sharon cut herself on a boneknife and had to be sutured...Gloria counted the days until she could leave surg...Clara's favorite song was "Hello Robert"...Mrs. Sullivan believed that Sondra had a twin...And as the end of the year drew nigh Jean was the first to become engaged.

September came and we received the long awaited Ir. bands. That year we worked weekends and 7-11s... Med-Surg 2 we slept thro... Sold raffle tickets...Becky was dancing with the doorknob...Mrs. Farrow's weight charts... Selling candy bars...Virginia looked in the bookcase and found a diamond... Christmas Bazaar at the Winn-Dixie...Somebody fell in the lobby of the Blockade Runner...New Year's Eve Gloria fell over a pepsi bottle and had to have her foot sutured...Jr.-Sr. at the Blockade Runner...A VERY cold night at the beach in February...Susan and Stirling had their first date Valentine's Day and became engaged on St. Patrick's Day... Appendectomies were the fad... Pat and Jim will always remember March 28, 1965...Paulette became the chief ear piercer... Sondra had a CRUSH!...Helen went to Ft. Fisher...A lady read Darnell's fortune and said that she'd get a diamond and she did!...Sharon worked charge 11-7 on Peds...Dix Hill...Our Dear Mrs. Paige...Those wonderful grades...Cameron Village...State College...Raye's Looney Tunes...The letter to the externs letting them know that they had made their Contac...Sleeping in Air Conditioned comfort on the third floor...Clara driving back to Raleigh after Graduation.

Again it was September and the wide black bands made us very status happy. In December we were back together with many tales to swap. Susan massaged the fundus to get it soft...Mrs. Roberts assigning all the rooms and porches before 10 a.m... Dr. H. Moore's tricky orders to see if we were on our toes...Paulette's long straight hair...Dr. Dineen made a gung ho Santa... Sondra's camera and water balloons... The maids and the mess on second floor....Sharon as Mary Poppins on Peds...Linda and her dates with the interns... Virginia and her LONG "campus"...Becky saying "I'll be an old maid" and becoming engaged the next week...Mrs. Murray's TV serials...Pat trying to plan her wedding...Darnell and her sadistic toe cracking...Riding on the float Azalea weekend...Jean going to Chapel Hill Azalea weekend...Gloria and her sexy night gowns...Mrs. Martin and the I.V. "team"...Nancy's confinement at Dix Hill...Paulette still singing "Oh How I Want to Go Home"...Raye was appalled to learn she needed more energy and so were we...Pictures...Annual ads ... Miss Dixon's Nursing Trends Tests...Deputy Dog and the flood on 2nd floor ... House Party...Dairy Queen plain white caps...Decisions...And last but not least GRADUATION.

1966 Azalea Festival Float

WE EXTEND OUR THANKS

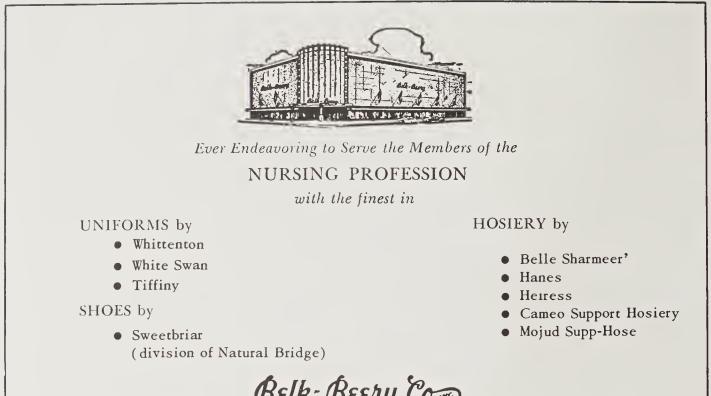

TO THE MANY PERSONS AND COMPANIES

WHO HELPED TO MAKE THIS ANNUAL POSSIBLE:

- ... All our advertisers
- ... Standard Textile Co., Inc., John Sexton and Co., and E. R. Squibb and Co., Inc. for their donations
- ... The graduates of James Walker for the many snapshots that were contributed in compiling this annual
- ... Dr. Robert M. Fales who undertook the job of writing the history for this annual
- ... Mrs. Bridgett Harding, our advisor, for her support and encouragement
- ... The faculty for listening to our numerous gripes and complaints
- ... Mr. John Lindner for answering our many questions and who without his help, this annual could have never materialized

Ehanks to ...
